
Lift Off Conferences

A member of the preschool team will contact you to schedule a lift off conference. The purpose of the conference is to provide you with the opportunity to share with us things that you know about your child. It is not required to answer all questions. We will use the questionnaire to guide our discussion.

What are some of your child's special interests, hobbies and activities?

How is your child feeling about the transition into school?

Describe your child's social interactions with other children. How do they fit in as a group member (leader, peace maker, follower, etc)?

How does your child demonstrate responsibility and self-control or respond to limitations?

Does your child have a strong interest in a specific area?

What areas of growth, do you feel, are most important for your child?
