

Avoca Mission and Beliefs

*The **mission** of Avoca School District 37 is to maximize the unique potential of each child we serve.*

We believe:

-Continuous improvement leads to sustained excellence

-All decisions must center on, “What is in the best interest of the children we serve?”

-We educate the whole child: cognitive, social, emotional, aesthetic and physical

-Children learn best when learning comes alive at the point of instruction

-Inclusive practices benefit all children
